Mr. J. A. Donnelley
 Chairman of the Drive to
 restore the "STAR OF INDIA"
 Star of India Restoration Committee
 1365 North Harbor Drive
 San Diego, California

Dear Mr. Donnelley:

Senator Engle appreciated having the information on H.R. 11562, for the relief of the Maritime Museum Association of San Diego, contained in your letter of August 19.

As you may know, no action was taken by the Senate Committee on Judiciary on the bill before the Congress adjourned sine die. The measure was on the agenda to be considered at the next Committee meeting, but the Chairman did not call the members together before adjournment.

As there was no great opposition to the legislation, the Senator believes that chances for passage early next Congress are good. He will, of course, do everything he can to be of assistance.

Sincerely yours,

Lucy Waters Loneragan
