DEAR JERRY -

Congratulations on your purchase
and preservation-for-use of the
"grand old lady" the the fading
San Francisco Bay ferryboat fleet,
the beautiful BERKELEY.

If San Francisco hasn't got
sense enough to save her (and they
haven't - I should know. - I've tried
to get a buyer for friend Bill Conover
for a long time) then hooray for
San Diego!

Incidentally, if your people
are interested in a "showboat"
cabaret-style show on the top deck
(as I planned here) - for fund-raising,
doubtless - I would be interested
and I have San Diego associations.

Cordially, BRADLEY GARR
