Mr. Jerry MacMullen
Star of India
1306 North Harbor Drive
San Diego, California

Dear Jerry:

. The Kern County Historical Society is arranging for a number of outstanding speakers for its 1966 Kern County Centennial Forum series to help celebrate Kern's 100th birthday.

As a member of the speakers committee I have been authorized to invite you to be with us on Tuesday, March 22 with a talk (of about 45 minutes, give or take a few) on West Coast Maritime History--but largely of course bearing on California. You would naturally handle this anyway you choose.

Because of the Centennial aspects of the occasion the Society is providing a speaker honorarium of \$100.00, plus \$25.00 for "expenses". The evening session will be held at Bakersfield College at 7 p.m. and a goodly crowd is anticipated as a guy of your eminent authority should pack 'em in.

Seriously, see if you can make it for all of your friends here will be mighty pleased to see you again.

Kindest personal regards,

Dick
