Dear Mr. MacMullen:

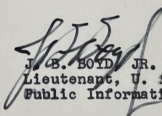

In response to your letter of Oct. 10, 1971, I have been able to locate some information on the old Lighthouse Tender Sequoia.

I have enclosed copies of the 1933 description of the vessel, as well as copies of a few pages from the 1908 and 1909 Annual Reports of the Light-House Board, which deal with her acquisition.

I have also enclosed a few photos of the vessel, including one of which was taken in Oct. 1946. On the reverse of that photo was the notation "Sailed for Philippines, Wednesday, 11th of December 1946, on her last voyage after an honorable career in San Francisco extending over a period of 37 years."

I hope this information will be of assistance to you.

Sincerely,

J. B. BOYD JR.
