Dear Jerry:

Have just completed thank you letters to all of those on our program, but of course the biggest thank you should be yours for pulling it all together and presiding in your excellent railroading fashion. You have set me a very high example and hope that since I am only half your size, I can do half as good.

Enclosed is the picture taken by the bank's photographer last Friday afternoon, which you may enjoy sending on to Mr. Carr, or supressing, as you see fit.

Preliminary report from the Local Arrangements Committee indicate that 200 paid registrations were made and the raffle netted a little over \$300.00. Thanks to you for such a good Banquet speaker, for I am sure he helped increase our totals. The dinner meeting was the largest — 142.

Sincerely,

Irene Simpson
