SAN DIEGO MARITIME MUSEUM

DISPLAYS, ARTIFACTS, MODELS, MUSEUM STORE

STAR OF INDIA • BERKELEY • MEDEA

The Maritime Museum is located on San Diego's colorful and historic Embarcadero, the most spectacular promenade to be found anywhere in the city. A visit to the museum's historic ships will open a window into history, with exhibits, demonstrations of nautical skills, maritime art, docent-led tours and interpretations, and interactive activities for children, all against the backdrop of warships, merchantmen, yachts, and fishing boats
