

SOVIET FOXTROT-CLASS HUNTER KILLER
CODE NAME: COBRA

- | | | | | | |
|---|--|---|---|--|------------------------------|
| 1. Torpedo Tube Outer Hatch | 17. Generator | 31. Hatch to Fin | 46. Captain's cabin | 58. Rib on pressure hull to add strength | 71. Battery Space 3 |
| 2. Navigation Light | 18. Fan | 32. Radio and satellite navigation antennae | 47. Main Battery Controller - Battery Space 1 | 59. Water tanks for trim, torpedo compensation and fresh water storage | 72. Battery Space 4 |
| 3. Anchor Light | 19. Diesel powered air compressor (used when surfaced) | 33. Snoop Tray radar | 48. Hatch | 60. Main pump | 73. Engine controller |
| 4. Torpedo | 20. Diesel engine exhaust pipe | 34. Quad Loop Directional Finder | 49. Torpedo Loading Hatch | 61. Batteries | 74. Fuel Tanks |
| 5. Torpedo Fire Controller | 21. Diesel engines | 35. Stop Light ESM | 50. Forward Diving Plane Control Arm | 62. Battery Space 1 | 75. Clutch |
| 6. Bunk | 22. Main fan | 36. Snorkel | 51. Underwater telephone Antennae MG-15 | 63. Battery Space 2 | 76. Main Electric Motors |
| 7. Emergency Buoy | 23. Machinery Control Room | 37. Navigation Periscope | 52. Clarification Sonar (Passive Only) Antennae MG-13 | 64. Generator for Sonar and Navigation equipment | 77. Oil Tanks |
| 8. Fair Lead | 24. Main Battery Controller - Battery Space 4 | 38. Attack Periscope | 53. Feniks Sonar (Passive only) Antennae MD-10 | 65. Chart Table | 78. Shower |
| 9. Gyro Compass | 25. Galley | 39. Bridge window | 54. Herkules Sonar (Active/Passive) Antennae MG-200 | 66. Navigation equipment | 79. Propeller shaft |
| 10. Bollard | 26. Reclining radio antennae | 40. Underwater telephone antennae | 55. Anchor feed and chain locker | 67. Weapons Control | 80. Auxiliary electric motor |
| 11. Hydraulic Pump | 27. Dry food storage | 41. Main Battery Controller - Battery Space 2 | 56. Ballast tank kingston valve | 68. Radar room | 81. Aft Stabilizer |
| 12. Escape Hatch | 28. Midshipmen's cabin | 42. Ward Room | 57. Pressure Hull | 69. Compensating Tank | 82. Propeller |
| 13. Capstan | 29. Radio room | 43. Officers cabin (4 berth) | | 70. Main Battery Controller - Battery Space 3 | 83. Aft diving plane |
| 14. Toilet | 30. Exhaust pipe (used when snorting) | 44. High pressure air storage tank | | | 84. Vertical rudder |
| 15. Auxiliary Electric Motor Controller | | 45. Sonar room | | | |
| 16. Main Electric Motor Controllers | | | | | |
