Mr. G. F. MacMullen
382 Glorietta Boulevard
Coronado, California 92118

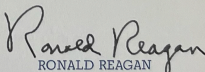

Dear Mr. MacMullen:

Thank you so much for your eloquent letter concerning the teaching of "history" on our college campuses. I appreciate hearing from you and share your concern.

You certainly brought back many fine memories when you mentioned Captain David Farragut! Your kind words mean more than you'll ever know.

Best regards and happy holidays.

Sincerely,

RONALD REAGAN
Governor
