My dear Commander MacMullen:

On the occasion of your retirement, the Commandant, Eleventh Naval District, wishes to express the Navy's deep appreciation for the honorable, faithful, and effective service which you have given your Nation and your Navy.

The Navy is fortunate in the high caliber of service which so many of its citizen sailors render, and when this service has continued over many years, as in your case, the Navy feels lasting and deep regret over its termination.

Be assured that as you leave you take with you the best wishes of those who continue to serve.

Sincerely,

C. C. HARTMAN
Rear Admiral, U. S. Navy
Commandant, Eleventh Naval District
