Dear Gregg,
the

Here is/completed interview with Jerry MacMullen! It is now being edited for publication in two journals ($\frac{1}{2}$ of the interview with footnotes in the Fall issue, and the other $\frac{1}{2}$ in the Winter issue, I believe). We ask that you not publish the interview, but rather use it for research purposes in your library. We know you will be pleased with the published interview which will be footnoted, and of course photographs included.

Warm regards,

Sylvia Arden
