Dear Sir,

Iron Bark "STAR OF INDIA"

I have to acknowledge receipt of your letter of the 1st instant with reference to the above Bark, and with regard thereto have to inform you that at the time of the earthquake and fire in San Francisco in the year 1906 all our records and register books were destroyed, so that we are not in a position to give the information requested by you.

However, would recommend you to write direct to the Secretary of this Society at 71 Fenchurch Street, London E.C. (3), who might possibly arrange to obtain the particulars requested by you in your letter.

I regret very much not being able to assist you but trust that you will meet with success in your requests via London.

Yours very truly,

David Gillart

DM:MA.
