6th April, 1939.

Sir,

With reference to your letter of the 4th March, respecting the barque "Euterpe" Official Number 47,617, of Liverpool, I have to inform you that this vessel was built in the Isle of Man in 1863, and is described as having two decks, three masts and square rig; framework of iron.

Her dimensions are recorded as follows:—

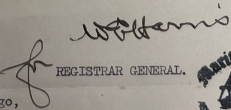

|                   |          |           |
|-------------------|----------|-----------|
| Length:—          | 205 feet | 5 tenths. |
| Main breadth:—    | 35 "     | 2 tenths. |
| Depth (in hold):— | 23 "     | 4 tenths. |
| Register Tonnage  | 1197.    |           |

Her first owner was G.H. Wakefield of Liverpool. In 1867 she was acquired by D. Browne of 146, Leadenhall Street, London and, in 1875, by Walter Savill and James W. Temple of 34, Leadenhall Street, London. The registry was closed on the 28th May, 1898, on sale of the vessel to a citizen of the United States of America, the last registered owners in this country being The Shaw Savill and Albion Co. Ltd., of 34, Leadenhall Street, who acquired the vessel in 1884.

A statement giving particulars of the voyages to 11th April, 1885, made by the vessel whilst under the British Flag, is forwarded herewith together with a receipt for the sum of One Pound (£1).
