1st June 1960.

Dear Sir,

Thank you for your letter of 26th May.

The Liverpool Daily Courier of 16th November 1864 reports in the "Arrived" column, "Euterpe, Storey - Calcutta". The Daily Courier of 18th November 1864, page 5, column 3, reports, "A vessel on fire - In the course of Wednesday night a fire was discovered on board the Euterpe, from Calcutta, in the Queen's Dock; it was promptly extinguished, and very little damage was done."

This is all we can find for your first reference; and we can find nothing in 1866 for your second.

We have no records of Wakefield, Nash & Co., but they last appear in the street directory for 1875 at 12 and 14 Tower Buildings North.

I cannot recognize Brown & Co. Perhaps your information is incomplete and the reference is to Brown, Shipley & Co., a well known Anglo-American firm of merchants who managed American packets.

Yours faithfully,

G. Thompson

Liverpool Record Office.
