Page Milk - 1925 (Condensed Milk) 2200 Sturdevant Street
Closed November 30, 1973.

Most small factorys of the community closed from 1925-1930.

Emmett Beahman was last milk delivery man to use horse and wagon. His horse knew every stop on the milke route - he never had to tell him when to stop or start.

All of the aforementioned played an important roll in our molding of the outlying areas and the City of Merrill.
