★ OLD WOOLEN CLOTHING

is oft times sold to ragmen for but $\frac{1}{2}$ ¢ to 1¢ a lb. and resold by them later at many times this price. Such old wool clothing is worth many times the offered price. Old wool clothing and especially knitted wear items of all wool makes splendid wool comforter batts that in comforters are warm as any wool, comfortable, and long lasting. Let us card such woollen clothing into wool comforter batts for you and get the most from the use and value of such clothing.

★ SAVE MONEY

New wool comforter batts today cost an average of \$1.50 per lb., and bound to be even higher. By using your old wool clothing, unusually warm comforter fillings can be made at charge 40¢ per lb., which is less than $\frac{1}{3}$ the cost of new wool.

INSTRUCTIONS—We can use any old wool clothing but prefer knitted wear items. Remove all cotton linings, buttons, etc., and then launder the clothing before sending. Ship such old wool clothing parcel post prepaid to us, writing advising how much you wish each wool batt to weigh. Finished wool batts made from your own clothing, will be returned to you parcel post C. O. D. for the charges of making same.

NOTE—DO NOT send us COTTON in any form as we cannot accept same. It takes about 2 lbs. of clothing to make each 1 lb. of finished wool batting wanted.

Wool Comforter Fillings Made

From Old Wool — Cost $\frac{1}{3}$ as

Much As New Fillings!
