FLUFFY

WOOL BATTS

LIGHT
AND
SANITARY

The snug warmth of a wool filled comforter is without a doubt the warmest bed covering known to man. Pure wool used in bed covering provides perfect insulation, keeping out the cold and retaining the normal body warmth. Experience the real comfort in winter sleeping that comes from using genuine pure wool filled comforters.

One Wool Batt Equals Five
Cotton Batts

ECONOMICAL

Pure Wool Batts Last a Lifetime
Never Wear Out

SANITARY

May be Continuously Recleaned and
Recorded

NOTE—We offer only one quality in wool batts. . . . ONLY the clear full run pure VIRGIN WOOL. Beware of cheaper priced wool batts made of waste wools, sweepings, and with cotton and rayon content. Do not confuse our batts with those offered made for low prices, and with cheapened quality.

WOOL BATTS MADE FROM YOUR OWN WOOL

CARDING WASHED WOOL INTO
BATTS (your wool).....Lb. 20c

WASHING RAW WOOL and CARD-
ING BATTS (your wool)-----Lb. 25c

It requires about 2¼ lbs. of raw un-
washed wool to make each one lb. of
finished batting.

State weight wanted in each batt when
sending us wool for batts.

Prices based on finished batt weights.

Our batt department and
wool recarding work is
handled thruout the entire
year.

Wool may be sent us at
any time convenient for
you.

Carefully consider be-
fore you sell your wool
how valuable it may be to
you, to re-use or to have
it converted into useful
blankets or clothing.

Write us for our 16 page
fall catalog showing our
complete line of wool
products sold direct from
FACTORY TO YOU!
