A Proud Heritage of Quality Craftsmanship.

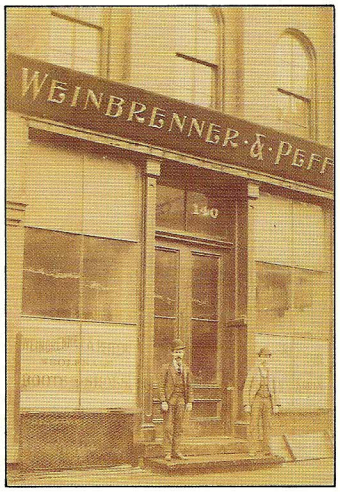

Since 1892, the Weinbrenner Shoe Company has been a leading U.S. manufacturer of quality casual, safety, work, outdoor and uniform footwear. We are proud of our heritage and the skilled and dedicated men and women who hand craft our products.

Our history is rich with product innovation. We pioneered the concept of job-fitted footwear over 70 years ago with designs to meet the needs of specific occupations. In 1918 came the now famous Thorogood trademark. The introduction of safety footwear in 1938 was followed by new concepts in uniform footwear for the law enforcement, postal, fire and emergency professions.

The New Generation from Thorogood is the ultimate combination of lightweight comfort, durability and performance found anywhere. And, has been designed for the new generation of uniformed professionals.

We continually strive for excellence in all of our products. Handcraftsmanship has been combined with the finest materials and the latest technology to bring you the best footwear possible.

Our commitment to quality is your guarantee of value with every pair of Thorogoods.

Code-3 Shoes

The Ultimate in Street Performance.

The only thing traditional about our Thorogood Code-3 shoes is their color. They work with every step you take... every move you make. They are the ultimate combination of lightweight comfort, durability and performance because we've built them from the street up.

• *Soft, leather cushioned collar creates a gentle, active shock and abrasion barrier for added comfort and protection.*

• *Black hi-gloss full grain leather uppers for easy care and rugged durability. Now available in black shiny Clarino.*

• *Cambrelle vamp and pig-skin leather quarter linings.*

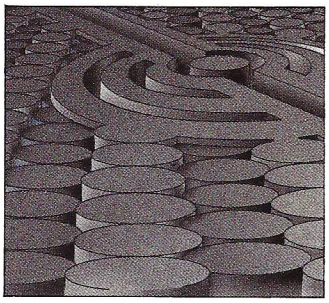

• *Vibram non-slip, abrasion resistant rubber outsole.*

Maximum Traction.
We've placed pivot pads at four strategic points among the multi-level spherical pegs on our Vibram rubber outsoles to provide maximum traction and slip resistancy on any surface. In any weather.

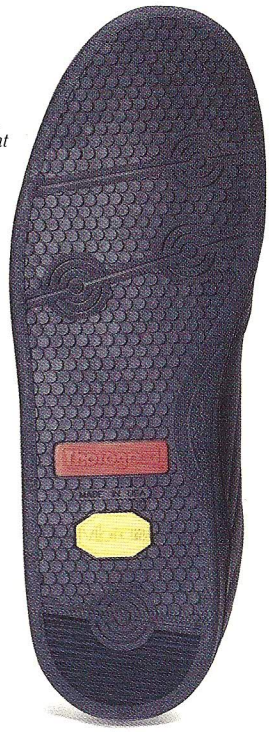

Shock Absorbing Comfort.
Our Performance Return Grid System has a series of interlocking diamond shaped air pockets to give you added stability and impact absorption. They'll keep you comfortable all day...all night.

Foot Cradling Comfort.
Our exclusive Poly-Pillow Footpacer Insoles are Cambrelle covered. We used polyurethane for the foot beds because it's the best material for absorbing impact. Our insoles are lightweight, durable, breathable and can be removed for washing. And, they provide superior all-weather insulation.

Lightweight Shoe Support.
We've selected state-of-the-art, lightweight fiberglass shanks (A) to strengthen your shoes and provide overall support to your feet.

Our exclusive Poly-Pillow Footpacer Insoles (B) help protect your heels, legs, and back against shock. We've covered the Polyurethane foot bed with Cambrelle for all-weather comfort.

Powerful Foot Protection.
Our Cambrelle lined vamps (C) and quarters (D) help keep your feet cooler in the summer. Warmer in the winter. The unique properties of Cambrelle allow your shoes to breathe... letting air in and wicking moisture out. Long wearing Cambrelle also helps protect your feet from mildew, bacteria and odor.

Boots

The Best Boots for the Worst Weather.
We use the finest materials to make sure your feet stay warm, dry and comfortable under the worst conditions... the best conditions. Soft, supple leathers, long-wearing outsoles and hand craftsmanship go into every pair of Thorogood boots.

All Weather Drying Action.
Our easy breathing Cambrelle covered felt insoles (A) keep cold air out as they absorb perspiration for maximum drying action and warmth.

Insulated for Year 'Round Wear.
We've lined our boots with Cambrelle (B) and insulated them with Thinsulate (C) to give you year 'round comfort in any climate.

The Anatomy of a Serious Boot.

You'll get more out of your Wood n' Stream Boots because we put more into them.

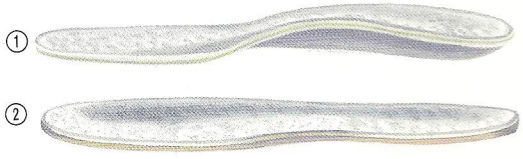

① ***Cambrelle® Lining.*** *Feet stay cooler in summer, warmer in winter because the Cambrelle lining breathes…lets air in…wicks moisture out. Dries quickly and resists foot odor and mildew.*

② ***Sympatex® Membrane.*** *This extremely thin yet totally waterproof material keeps feet warm and dry. Perspiration evaporates freely. It's non-porous and won't clog with dirt, body salts or oils. Resists creasing. Remains waterproof for life.*

③ ***B400 Thinsulate® Thermal Insulation.*** *The microfibers "trap" insulating air inside the boot to keep feet warm.*

④ ***WeatherTuff® Leather.*** *This remarkable waterproof leather is supple, lightweight, breathable and impervious to water and salt. Quickly dries and recovers its flexibility and appearance after contact with moisture. Salt and other stains can easily be removed with a damp cloth.*

① ***Aerowick® Contoured Footbed Insole.*** *Stops cold from penetrating through the bottom of the boot. Self-ventilating insert keeps feet dry as it wicks moisture from the foot. Totally breathable. Molds to the contours of the foot to help protect it from shock and is removable and washable.*

② ***Aerowick Insole.*** *An additional barrier against cold is provided by a layer of Aerowick applied to the insole material. Double protection against cold…twice the cushioning for added comfort.*

Speed lacing. For quick and easy on and off of boots. Gives a snugger, more comfortable fit.

WeatherTuff leather. A remarkable waterproof leather. Impervious to water and salt. "The best American leather for the worst American weather."

Sealed seams. Stitched seams are coated with a waterproof sealant that stops water from penetrating at the point where leather has been joined together. It remains pliable and flexible throughout the life of the boot.

Polyurethane midsole. *Absorbs shock and impact upon contact. Insulates against cold and heat. A great comfort feature.*

Padded leather collar. Soft, leather cushioned collar creates a gentle, active shock and abrasion barrier for added comfort and protection.

Indy 500 Rubber® outsole. Our exclusive Goodyear Indy 500 Rubber compound resists abrasion and wear. Its "traction tread" design grips wet, slippery surfaces, on contact. All this and lightweight comfort, too.

Nearly 100 Years of Craftsmanship Goes Into Every Wood n' Stream Boot.

Since 1892, the Weinbrenner Shoe Company has been a leading U.S. manufacturer of boots and outdoor footwear for work and leisure. We are proud of our heritage and the skilled and dedicated men and women who handcraft our products.

Our history is rich with product innovation. It all began during the heyday of the lumbering boom in Northern Wisconsin when Albert Weinbrenner, a cobbler by trade, produced his first pair of logging boots. They were an immediate success with loggers and soon led to the job-fitted concept with designs for miners and quarry workers, farmers, railroad workers and oil drillers. His entrepreneurial spirit lead him next to pioneer the concept of sport-fitted boots for the outdoorsman; and the Wood n' Stream line was born.

Our newest line of Wood n' Stream boots follows in the traditions set forth nearly a century ago by Albert Weinbrenner. We've combined hand craftsmanship with the finest materials and the latest technology to produce the best product possible and at a price that offers value to the serious outdoorsman.

- *All print ads must be prepared from the current advertising brochure containing pre-screened ads and product illustrations; or other current ads as supplied or requested from the WEINBRENNER SHOE COMPANY or company representative.*
- *Prior approval of the script and/or video storyboard for radio and television advertising must be obtained from the WEINBRENNER SHOE COMPANY in order to qualify, unless such script has been supplied by WEINBRENNER.*
- *All print and television advertising must picture WEINBRENNER products and prominently display brand name logo. Radio advertising script must also prominently mention the brand name.*
- *Combination ads will be pro-rated according to the space devoted to WEINBRENNER.*
- *WEINBRENNER SHOE COMPANY reserves the right to refuse or adjust payment for any advertising claims which are not in conformance with the local earned and/or published rates of authorized media.*

Submission of Claims

- *Claims must be submitted within 30 days after the advertising has been published or broadcast to: ADVERTISING CHECKING BUREAU, INC. 80 Monroe Avenue, Memphis, Tennessee 38103.*
- *Each claim must be accompanied by a copy of the paid invoice, a tearsheet of the ad, a copy of script and/or storyboard, and, for radio and television, an affidavit of performance.*
- *Do not deduct claim in payment of merchandise invoices. A credit memorandum will be processed within 15 days from receipt of the co-operative advertising claim.*
- *Any obligation on the part of WEINBRENNER SHOE COMPANY under this agreement is contingent upon the customer's maintaining his account in good standing with the WEINBRENNER credit department.*

NOTE: Co-op advertising claims not conforming to the above qualifications will be refused. This co-operative advertising agreement does NOT include the cost of production, e.g. engravings, type, film, recording, talent, etc.

Weinbrenner

Since 1892, The Weinbrenner Shoe Company has been a leading U.S. manufacturer of quality uniform, safety, work, outdoor and casual footwear. We are proud of our heritage and the skilled and dedicated men and women who hand craft our products.

We are equally as proud of the long-term relationships we enjoy with you, our valued customer.

Our history is rich with product innovation. We pioneered the concept of job-fitted footwear over 70 years ago with designs to meet the needs of specific occupations. In 1918 came the now famous Thorogood trademark. The introduction of safety footwear in 1938 was followed by new concepts in uniform footwear for the law enforcement, postal, fire and emergency professions.

Thorogood Code-3's™ are our latest innovation. Developed specifically for today's law enforcement officers, they are the ultimate combination of lightweight comfort, durability and performance found anywhere.

We continually strive for excellence in all of our products. Hand craftsmanship has been combined with the finest materials and the latest technology to bring you the best footwear possible.

Our commitment to quality is your guarantee that you can offer your customers value with every pair of Thorogoods you sell.
