

Roger Tory Peterson Institute of Natural History

311 Curtis Street,
Jamestown, NY 14701

Hours of operation: Wednesday through Saturday 10am - 4pm; Sunday 1pm - 5pm

Phone: (716) 665-2473

Email: rkosinski@rtpi.org or info@rtpi.org

Collection Inventory

Box: 15, RTP Book Galleys

Subjects: Field Guides

- **A Field Guide to Eastern Trees**
- **A Field Guide to Freshwater Fishes**
- **First Guide to Dinosaurs**
- **First Guide to the Solar System**
- **A Field Guide to Forest Ecology, Eastern North America**
- **A Field Guide to Atlantic Coast Fishes**
- **A Field Guide to Southern and Caribbean Seashores, Cape Hatteras to the Gulf Coast, Florida, and the Caribbean**
- **A Field Guide to The Birds East of the Rockies**
- **A Field Guide to Western Birds, A Completely New Guide to Field Marks of All Species Found in North America West of the 100th Meridian and North of Mexico**

***ARCHIVIST’S NOTE:** This box is sorted into different sections of paper held together in a paper ‘sleeve’. There are no folders.

Description	Date(s)	Box	Location
Xeroxed copies of galley pages for the <i>Field Guide to Eastern Trees</i> : <ul style="list-style-type: none">• Pg. 1 marked “Plates”• Plates 1-48• Plate F-7• Plates F-13A and B• Plate F-15• Plate F-21A and B• Plate F-22• Plate F-46A, B, C, and D	August 26, 1987 September 12 and 14, 1987	15	Top document, main pile
Xeroxed copies of galley pages for the <i>Field Guide to</i>	August 26, 1987	15	Second from top,

<p><i>Eastern Trees</i>: (IDENTICAL TO PREVIOUS COPY)</p> <ul style="list-style-type: none"> • Pg. 1 marked "Plates" • Plates 1-48 • Plate F-7 • Plates F-13A and B • Plate F-15 • Plate F-21A and B • Plate F-22 • Plate F-46A, B, C, and D 	<p>September 12 and 14, 1987</p>		<p>main pile</p>
<p>Gathering of typed, printed papers:</p> <ul style="list-style-type: none"> • Letter from Susan W Kunhardt, Field Guide Manuscript Editor at Houghton Mifflin, to RTP on August 22, 1990 and received August 29, 1990, on writing an Editor's note for the <i>Field Guide to Freshwater Fishes</i> and mentioning Editor's Notes for "two new First Guides, which I took the liberty of drafting myself, using your past Notes as template". Attached to this letter is a yellow sticky-note dated October 23, 1990, which says "MHCo looking for 'Editor's Note' on this— Chuck" • Editor's Note for the <i>First Guide to Rocks and Minerals</i> • 2-pg. Editor's Note for <i>First Guide to Clouds and Weather</i> • Title page of galley for <i>A Field Guide to Freshwater Fishes, North America North of Mexico</i> • 10 pgs. of FRONT MATTER: The Peterson Field Guide Series list, inner title page, copyright page, Editor's Note, Acknowledgements, Contents, and Plates • Second inner title page • HOW TO USE THIS GUIDE, 11 pgs. • JAWLESS FISHES: CLASS AGNATHA, 8 pgs. • BONY FISHES: CLASS OSTEICHYES, pgs. 9-298 • Page announcing GLOSSARY, ABBREVIATIONS, REFERENCES, RANGE MAPS, and INDEX • 8-pg. GLOSSARY • 2-pg. ABBREVIATIONS • 1-pg. REFERENCES • 65-pg. PLATES • 1-pg. RANGE MAPS 	<p>1990</p>	<p>15</p>	<p>Third from top, VERY LARGE GATHERING OF PAPERS (2-in thick?)</p>
<p>Xeroxed copies of galley pages:</p> <ul style="list-style-type: none"> • Title pg. of "NO. GALLEY 2" of the <i>Peterson First Guide to Dinosaurs</i> by John C Kricher, Illustrated by Gordon Morrison • <i>Introducing the Dinosaurs</i>, 1 pg. • <i>Dinosaur Classification</i>, 1 pg. • <i>How Dinosaurs May Have Lived</i>, 1 pg. • <i>Geologic Time</i>, 1 pg. • <i>Life in the Triassic Period</i>, 1 pg. 	<p>1989</p>	<p>15</p>	<p>Fourth Galley down, main pile</p>

<ul style="list-style-type: none"> • <i>Life in the Jurassic Period</i>, 1 pg. • <i>Life in the Cretaceous Period</i>, 1 pg. • <i>Fossils</i>, 1 pg. • <i>Before Dinosaurs</i>, 1 pg. • <i>Dinosaur Ancestors</i>, 1 pg. • <i>Carnivorous Dinosaurs</i>, 10 pgs. • <i>The First Bird</i>, 1 pg. • <i>Ostrich Dinosaurs</i>, 1 pg. • <i>The Huge Sauropods</i>, 4 pgs. • <i>An Unusual Sauropod</i>, 1 pg. • <i>Stegosaurus</i>, 1 pg. • <i>Ornithopods and Fabrosaurs</i>, 1 pg. • <i>Heterodontosaurs</i>, 1 pg. • <i>Hypsilophodonts</i>, 1 pg. • <i>Camptosaurus</i>, 2 pgs. • <i>Hadrosaurs</i>, 1 pg. • <i>Dinosaur Nesting Behavior</i>, 1 pg. • <i>Crested Duck-bills</i>, 1 pg. • <i>Bone-headed Dinosaurs</i>, 1 pg. • <i>Ankylosaurs</i>, 2 pgs. • <i>Ceratopsids</i>, 2 pgs. • <i>Crocodylians</i>, 1 pg. • <i>Lizards, Snakes, and Turtles</i>, 1 pg. • <i>Plesiosaurs</i>, 1 pg. • <i>Ichthyosaurs and Placodonts</i>, 1 pg. • <i>Pterosaurs</i>, 2 pgs. • <i>Cretaceous Birds</i>, 1 pg. • <i>The End of the Dinosaurs</i>, 1 pg. • <i>Big Bad Birds</i>, 1 pg. • <i>Mammal-like Reptiles</i>, 1 pg. • <i>Therapsids</i>, 1 pg. • <i>Early Cenozoic Mammals</i>, 1 pg. • <i>Early Mammalian Giants</i>, 1 pg. • <i>South American Giants</i>, 1 pg. • <i>Ice-Age Mammals</i>, 1 pg. • <i>Human Ancestors</i>, 1 pg. • <i>Living Fossils</i>, 2 pgs. • <i>Dinosauroid</i>, 1 pg. • <i>Index</i>, 2 pgs. 			
<p>Xeroxed copies of galley pages:</p> <ul style="list-style-type: none"> • Title page, <i>Peterson First Guide to the SOLAR SYSTEM</i>, by Jay M Pasachoff, with Planet-finding Maps by Wil Tirion • <i>Introducing the Solar System</i>, 1 pg. • <i>The Earth</i>, 4 pgs. • <i>The Moon</i>, 6 pgs. • <i>Mercury</i>, 2 pgs. • <i>Venus</i>, 4 pgs. • <i>Mars</i>, 5 pgs. • <i>Jupiter</i>, 6 pgs. • <i>Saturn</i>, 5 pgs. • <i>Uranus</i>, 3 pgs. 	1989	15	Fifth galley down, main pile

<ul style="list-style-type: none"> • <i>Neptune</i>, 3 pgs. • <i>Pluto</i>, 2 pgs. • <i>The Sun</i>, 4 pgs. • <i>Comets</i>, 4 pgs. • <i>Meteors and Meteorites</i>, 2 pgs. • <i>Asteroids</i>, 2 pgs. • <i>Other Solar Systems and The Search for Life in the Universe</i>, 1 pg. • <i>Captions</i>, 6 pgs. 			
<p>Gathering of printed galley pages, with handwritten notes in red and black ink:</p> <ul style="list-style-type: none"> • Gathering of 7 pgs. marked "CAPTIONS" in red in the top right corner, listing figures displayed in <i>Forest Ecology</i> (?), along with a small yellow sticky note that reads in black ink: "CHUCK, File This" • "Legend pages for <i>A Field Guide to Forest Ecology</i> (Kricher & Morrison)", plates 1-60 with annotations in pencil • Spine galley pg. for <i>A Field Guide to Forest Ecology, Eastern North America</i> by Kricher & Morrison • Pg. i: THE PETERSON FIELD GUIDE SERIES • Pg. ii: blank page • Pg. iii: title page • Pg. iv: copyright page • Pg. v: Editor's Note • Preface, 3 pgs. • Acknowledgements, 3 pgs. • Contents, 4 pgs. • List of Plates, 2 pgs. • Inner title page • How to Use This Book, pgs. 1-3 • Forest Field Marks, pgs. 4-18 (with lots of printed monochrome illustrations of plants/animals taped to sides of galley) • Eastern Forest Communities, pgs. 19-47 • Disturbance and Pioneer Plants, pgs. 48-74 • Adaptation, pgs. 75-83 • Patterns of Spring, pgs. 84-109 • Nature in Summer, pgs. 110-144 • Autumn and Winter, pgs. 145-162 	1987	15	Sixth galley down, main pile
<p>Gathering of tall galley pages for <i>A Field Guide to Atlantic Coast Fishes</i>, badly sun-browned (first page and then edges of following pages), and a letter found between the pages:</p> <ul style="list-style-type: none"> • Typewritten letter on Houghton Mifflin letterhead sent July 11, 1985 and received July 15, 1985, from Barbara to RTP, asking to please have his Editor's Note by August 9th and expressing some opinions on the size of the book (1200+ pgs.) 	1985	15	Seventh galley down, main pile

<ul style="list-style-type: none"> • Jawless Fishes, 1 pg. • Cartilaginous Fishes, 18 pgs. • About this book, 1 pg. • Contents, 3 pgs. (folded) • "This map also indicates..." 1 pg. • Plates 2-64 • Rays: 3 pgs. • Bony Fishes, remaining manuscript (101 pgs.) 			
<p>Gathering of tall galley pages for <i>A Field Guide to Southern and Caribbean Seashores, Cape Hatteras to the Gulf Coast, Florida, and the Caribbean</i> by Eugene H Kaplan with Drawings by Susan L Kaplan:</p> <ul style="list-style-type: none"> • Cover page, stamped with "UNCORRECTED PROOF" in black ink • Pg. iv: copyright pg. • Contents pg. • Plates pg. • Credits pg. • Editor's note and preface, 2 pgs. • 1. How to Use This Book, 3 pgs. • 2. Seashore from Cape Hatteras to Cape Canaveral (PART I: Plant and Animal Communities), 20 pgs. • 3. Seashores of the Gulf of Mexico, 12 pgs. • 4. Caribbean and Southern Florida Beaches THE WEST INDIAN FAUNAL PROVINCE, 4 pgs. • 5. Rocky Shores of Southern Florida and the Caribbean, 9 pgs. • 6. Turtle Grass Beds of Southern Florida, the Gulf, and Caribbean, 5 pgs. • 7. Seaweeds and Seagrasses, 7 pgs. • 8. Beach-Plant Communities, 11 pgs. • 9. Mangrove Communities of Florida and the Caribbean, 11 pgs. • 10. Corals, Sea Anemones, and Jellyfishes (PART II: Common Seashore Animals, Natural History, and Identification), 11 pgs. • 11. Sponges, 2 pgs. • 12. Snails, Clams, Squids, Octopods, and Chitons, 23 pgs. • 13. The Segmented Worms, 9 pgs. • 14. Shrimps, Crabs, Lobsters, and Barnacles, 19 pgs. • 15. Sea Stars, Sea Urchins, Brittle Stars, and Sea Cucumbers, 11 pgs. • 16. Bryozoans, Acorn Worms, Tunicates, Ribbon Worms, and Flatworms, 6 pgs. 	1987	15	Eighth galley down, bottom of main pile
<p>Gathering of printed guide papers, spine torn in half:</p> <ul style="list-style-type: none"> • Torn cover of <i>A FIELD GUIDE TO THE BIRDS EAST OF THE ROCKIES</i>, by RTP, to pg. 32 on Loons, one section of book with spine • Loose pgs. 91-92, 95-96, 117-120, 125-136, 153- 	1980	15	1 st in row, 1 st group of smaller guides near front of box
