July 26, 1935

Dr. Helen M. Wientling
Reformatory for Women
Framingham, Mass. Caudette

My dear Dr. Wientling:

We have received your letter of
July 23, stating that there was no such person
as Stanley Bardick at your institution.

The following information was on
the slip which accompanied the specimen:
Institution, Framingham Reformatory for Women;
Date of collecting, July 7; Patient's name,
Stanley Bardick; Home address, Box 28, Framingham;
Age, 2 months; Race, White; Nationality, Polish;
Provisional diagnosis, ? Congenital Syphilis.

Very truly yours,

William A. Hinton, M.D., Chief
Bacteriologic Laboratory
