Subject: Specifications for Plumbing
at the Bussey Institute

To: Dr. Hinton

From: Mr. Weston ✓ *W.E.*

Date: February 4, 1947

In accordance with the arrangements made by Mr. Harrington of this office, I am transmitting herewith two copies of a draft of specifications for plumbing work incidental to moving the Wassermann Laboratory to the Bussey Institute at Forest Hills.

Will you please review these specifications, making such notations on the second copy as you deem desirable. Upon receipt of the same, we will attempt to make such modifications as may be necessary.
