Dear Sir:-

Received to-day - report of  
Oliver Sousa, 262 So. Front St., New Bedford,  
Mass. as to Hunter Test - which  
was Positive.

Patient was first seen at my office  
on May 29, 1941. Hunter taken at that time.  
at that time she was acting "queerly"  
Consultation with Dr. Provost, New Bedford  
was arranged on June 1, 1941 - who recommended  
hospitalization.

at present she is at Taunton State  
Hospital.

Kindly send report of Hunter Test  
to the above institution.

Sincerely yours,

Robert Rosenberg, M.D.
