Dr. William Hinton  
25 Shattuck Street, Building D  
Boston, Massachusetts

My dear Dr. Hinton:

On the Hinton blood test reports of July 9th,  
a negative report on a Stanley Bardick was received.  
There is no such person in this institution.

76.347  
We would appreciate it very much if all the  
names on the reports sent in here were written in full,  
as often the names are similar and it causes confusion.

Thank you.

Very sincerely,
