

Budget

September 11, 1933

Dr. Elliott S. Robinson, Asst. Director
Antitoxin and Vaccine Laboratory
375 South Street
Jamaica Plain, Mass.

My dear Doctor Robinson:

In reply to your letter of September 3,
I wish to say that the only increased cost for doing
Hinton tests, in accordance with the scheme discussed
last spring, will be \$3000. per year, salary for an
extra technician.

Very truly yours,

Wm. A. Hinton, M.D., Chief
Wassermann Laboratory
