RHODE ISLAND HOSPITAL  
OLIVER G. PRATT, EXECUTIVE DIRECTOR AND SUPERINTENDENT  
PROVIDENCE 2, R. I.

December 17, 1948

Doctor Hinton  
State Antitoxin Laboratory  
Forest Hills  
Boston, Massachusetts

Dear Doctor Hinton:

We are endeavoring to institute a plan whereby we can use micro-Hintons in the laboratory in this hospital. We would appreciate it very much if you would be good enough to send us an outline of the technique that you use.

Thank you very much.

Sincerely yours,

*John T. Barrett*  
John T. Barrett, M.D.  
Pediatric Resident

Dr. John T. Barrett  
Rhode Island Hospital  
Providence 2, Rhode Island

Dear Dr. Barrett:

The Manual of Serodiagnostic Tests for Syphilis  
is now ready for distribution. You may purchase a copy  
from the Superintendent of Documents, Government Print-  
ing Office, Washington 25, D. C. at \$1.50 a copy.

Very truly yours,

Wm. A. Hinton, M. D., Chief  
Wassermann Laboratory
