Dr. Harold F. Rowley
Harwich Port
Massachusetts

Dear Dr. Rowley:

We have your letter enclosing our reports on your patient Frank Gomes. The slips, which we are enclosing, were both made out for Frank Gomes as you will see.

We would appreciate your returning these slips after examination, as we need them for our records.

Thank you.

Very truly yours,

Wm. A. Hinton, M. D., Chief
Wassermann Laboratory

Encls.

Dr. Hinton:

*The mistake in names is quite apparently
mine and I shall have to repeat these tests.*

H. F. Rowley, M.D.
