Lynn, Mass.

Dear Dr. Rowley:

We are enclosing a report which was mailed to you from this laboratory on February 4. It was returned to us by the Post Office because they could not make out your name and city address.

So that you may be sure of getting your reports promptly, will you kindly write your name and address plainly on these slips. Also, please be sure that there is a street address given on each slip.

Very truly yours,

Wm. A. Hinton, M.D., Chief
