Shelburne Newsletter and Newspapers

About: Upon arriving to the Shelburne Historical Society Museum on 28 June 2023, Cathy from the Pierson Library had moved in the museum, boxes and bound issues of the Shelburne Newsletter and Shelburne News and plastic shelving to store them on. David spoke with Cathy 28 June 2023 and asked why they were there. She stated that she was making room in the Library and thought we would like them. David accepted the donation. Cathy stated that they were offered to the society in the past but they were refused. They were then offered to the Shelburne News and they refused.
