CASE 12

Collection: Juniper Island

About: A research report by Phillip Bowler Sr. was found in the Shelburne Historical Society collections. It was decided to record Juniper Island information even though the Island is not technically part of Shelburne, Vermont, it's close proximity to the end of Shelburne Point merits keeping the records.

Series 1: General

- 1.1 Research Paper – Juniper Island by Phillip M. Bowler Sr. in a joint project with his grandson, Phillip Bowler III as part of a 6th grade science project at Edmunds Junior High School, Burlington, Vermont. Date 20 May 1993.
- 1.2 Online Research notes by David Boucher about Juniper Island, 30 August 2025
