[*Letter from Flora Pillsbury (1887-1921) to George Nichols (1889-1961)*]

Camden, Maine. August 24, 1915

Dear George: --

Walter just came in and said that Gladie came home last night and would only be here a few days so I am going home this morning and will come back to-morrow night, if I can but Walter is going to Bangor so I don't know anything about what time it will be, perhaps Gladie will bring me down early and I may be late. Wish you car was ready so you could come up, but never mind if I don't get down early you will know I <u>want</u> to. I'll do the best I can and will call you up when I do come down and if you are down street I will come over if its not later than 8-55. (Not quite 9)

I have written your ad for the C.G. and I noticed you did not mention the name of the car and I added that. Was I right? I don't know whether you left it out intentionally or not but knew it couldn't do any harm to give it anyway so I just said Stevens Duryes Touring Car. Hope its all right.

See you to-morrow if nothing happens.

Yours, - Flo.
