

SPANNING THE YEARS — Ernest Littlefield, chairman of the Lincolnville board of selectmen, took seven separate pictures of the old Ducktrap Bridge before it was torn down and made them into a seamless panorama, which now hangs in the town office.
DAVID GRIMA

ALTERNATIVE ROUTE — The crew renovating the Ducktrap Bridge on Route 1 in Lincolnville opened a temporary bridge for traffic Monday but was forced to close it Tuesday for structural repairs. The repairs are expected to be complete by the weekend but travelers may encounter one-lane traffic on occasion. The old bridge will be demolished this week and a new bridge in place by next spring.
