

LETTER No. 7

Somewhere in France.

Feb. 26th '18.

Dear Carleton,

Have just written R & Louie letter
will write you a line before turning in.
Yesterday I got seven letters &
was one happy boy to hear from
home again they were the 1st
from home in about 3 weeks.

I have just received some papers
& the picture of the Brewer Scouts,
very good. How are your coils?
You have had quite a time with
them haven't you.

I got R's photo today. I took
a picture of our "ruins" today
which would no doubt interest
you very much. As soon as
I can get back to civilization
I'll have them printed I'll

send one if possible. Four of us
are out front & some war souvenirs
at our feet. I told R. to send some
films if he could for a 2 a camera.
They are impossible to get here
but we have a fine chance to take
snapshots & would like to
get a few.

If R. comes over here he can
get word to the Am. Y. M. C. A.
at Paris & find out where we
are. Wouldn't I like to have a
good talk with him though
& the rest of you as well.

Fri night the 22nd we gave
a band concert in the cave.

Sun. we had a big turkey

dinner. Last night we gave another concert in the cave.

I have a paper knife made by a Frenchman out of german shell. Ethel Mc. has been so thoughtful of me in sending pkgs & writing that I am going to send it to her for a Birthday remembrance. Her birthday comes on the 8th of March.

I wonder if you get all my letters, there is no 7.

Tell pa I've been into a number of jewelry stores & will try to send him something for his window. I saw a very peculiar watch the other day, possibly I can get it to send home.

What has pa done about
selling out? Why doesn't Clara
write; haven't heard from her
for a long time.

The past few days have been
pretty cloudy so haven't seen
many airplanes. To day how-
ever has been a perfect one
& the aeroplanes have been very
thick; saw 15 or 20 of them
mix it up this morning.

I have seen several German
planes brought down.

I suppose we will go back
with the Co for a rest in
a few days. There is consid-
erable excitement here & as
we have a good place to stay
I think I'd rather remain

here. I hope mother doesn't
worry as there is little need
of it. We are getting along
great & hope you are as
well.

I'm getting sleepy so
guess I'll close now

With Love to all
