Carrier-Jayette

TAKING OFF POUNDS and putting in new officers at a meeting Monday, members of the Camden chapter of Take Off Pounds Sensibly (TOPS) honored recently elected officers for the 1975 season of weight losing. From left are: Mrs. Phyllis Curit, weight recorder; Mrs. Eileen Young, treasurer; Mrs. Geneva Marston, co-leader; and Mrs. Leone Harriman, leader. Mrs. Curit and Mrs. Marston have reached their weight loss goals and are now "Keeping Off Pounds Sensibly." The Camden group was founded in 1968. Absent at the time of the photo was new secretary, Marion Higgins.
