

HONOR ROLL: The World War II veterans Honor Roll in Lincolnville Center is looking sharp these days with its new coat of paint, print job and roof. The efforts of (l to r) Ruth Pottle, Chris Polson and John Pottle brought the \$500 project, funded by private donations, to fruition in time for Founders Weekend. Shrubbery will be planted by New England Landscaping by Veterans' Day. Donations to the perpetual care fund for the landmark, which bears the names of 112 Lincolnville veterans, may be made by contacting Ruth Pottle.
