Friday A. M.

Dear Brother George:-

Unless you want to spend the rest of the evening, after we get back from the Swing Bridge, with Sue and Howard you had better have something planned as they want us all to go to the Pictures or somewhere else when we get back. I told

them & didn't care
much for the Pictures
but would go where ever
the crowd wanted to.
I thought if you
knew about it you
could do as you like
but if we go right
home we would have
to take them with
us.

Flo.

P.S. You <u>might</u> have to go call on your Aunt Mary for something, they wouldn't expect to go there - This is only a suggestion. I don't mind where we go.
