

[Letter from Arno Knight to Senator H.C. Buzzell]

Lincolnville Maine, March 19, 1923

Hon. H.C. Buzzell
Augusta

Dear Senator: -

I noticed you were one of the five to sustain Gov. Baxter's veto upon the bill appropriating \$165,000 for Portland Pier etc.

I believe taxpayers of Waldo County and of Maine approve of your action notwithstanding the opposition of the Portland delegation and others. Perhaps they imagine the taxpayers of Maine cannot discriminate between statesmanship and selfish interest and petty politics. I think differently and believe that men of courage and ability who strive for economy and efficiency and justice deserve and will receive the approval of Maine taxpayers. Your truly Arno W. Knight
