

FREE-STONE Wanted.

THE Subscriber wishes to receive Proposals for the delivery at Fort Adams, Newport Harbor, of a considerable quantity of Free Stone, split out to dimensions, and of the best quality. A few blocks are wanted, which shall be, when cut, 9-12 feet long, 2 feet wide, and 1 ft. 3 inches thick; but the greater part of the stones will be much less in breadth and thickness. A part of the Stone must be delivered by the 1st of April next.

The Proposals to be directed to the Subscriber, Newport, R. I.
