

**BRICKS WANTED**

**PROPOSALS will be received until the 10th February  
next, for the supply at FORT ADAMS, Newport Harbor, R.I  
of  
1,000,000 Bricks.**

These Bricks must be cast in moulds of such size as to average when burned, eight inches, by four inches, by two and a half inches. They must be of the best quality of merchantable Bricks. The proportion of salmon or pale bricks, must not exceed one eighth of the whole, and no softer very pale bricks will be received. The proportion of broken bricks must not exceed one eighth of the whole, and none of these that are much warped, will be received. — The proportion of broken bricks must not exceed two percent. At least 100,000 to be delivered by the 1st day of June next, and the remainder in the course of the Summer and Autumn of the year, at such periods as may suit the convenience of the Contractor, provided there be always on hand a supply requisite fore progress of the work.

Should any person desire to furnish the stated number of bricks, or a less number, of a size different from that given above, they will please to accompany their proposals with a statement of the length, breadth and thickness of a well burned Brick, of the kind they wish to supply.

Before forming the Conact, a fair sample will be requited to be deposited in the Engineer's Office at Fort Adams, which, should it prove satisfactory, will govern in the inspection of the several deliveries.

Payment will be made, if required, on each cargo duly inspected and received. — All communications touching this subject, to be directed to Brevet Col. Joseph G. Toten, U. S. Engineers, Newport, R. I.
