

22 Canadian Armoured Regiment

Canadian Grenadier Guards

when the holly wreaths are hanging
on the window or the door
and the candle-lights are gleaming
from the ceiling to the floor,
when your yule log sheds a splendour
and your heart is filled with cheer
won't you call to mind the sender
of the old wish you find here.

With all good wishes
for a
Merry Christmas
and a
happy new year

from

J. M. my love.
