

The Northern Ontario Railroad Museum and Heritage Centre is hosting its' annual **Pasta Fest Dinner** on Sunday, June 27, at the Capreol Arena from 5 pm to 7 pm. Pasta Fest tickets are available at Lynn's Place in Capreol and the Northern Ontario Railroad Museum and Heritage Centre. They will also be available the night of the dinner at the Capreol Arena. This is the seventh year the Museum has hosted the Pasta Fest and this year promises great food and great fun. The dinner is planned and hosted by volunteers of the NORMHC and is generously supported by the residents of the Town of Capreol. All of the proceeds raised from Pasta Fest go to the Museum. The railroad is an important part of Capreol's heritage and individuals are given the opportunity to experience the history of the town through the museum. It also gives the residents of Capreol a chance to look back at how the town once was and how much it has grown over the years. It draws many tourists throughout the summer months, giving them the chance to learn about the railroad and the important role it has had in Capreol. For more information, please call 858-5050 or visit www.northernontariorailroadmuseum.ca".
