

Official museum opening set for June 1

The Northern Ontario Railroad Museum and Heritage Centre will hold a ribbon-cutting ceremony to commemorate its new gateway.

The ceremony will take place at 1:30 p.m during the official opening of the museum's 2002 season on June 1 at 26 Bloor St. in Capreol.

The gateway, completed in 2001, was partially funded by the Ministry of Citizenship, Culture and Recreation.
