Capreol Days 2016

July 29 - July 31

All kinds of events for young and old.

Check out the insert in this edition for details and times of planned events.

Wet Conditions Don't Hamper Canada Day Spirit

by Cody Cacciotti

A day of rain couldn't stop Capreol's recent Canada Day celebrations as a steady stream of visitors frequented both the museum and Trinity United Church throughout the day and late into the evening.

With support and sponsorship from Celebrate Canada!, Rewind 103.9, the City of Greater Sudbury, Northern Screams, and Dream Catcher Fireworks, it was great to see so many groups working in unison for the betterment of the community and to celebrate our national holiday. There were a number of activities despite the rain and Mojo Radio rocked the town into the evening. Citizens gathered along King and Lakeshore, reminiscent of years past, as the fireworks display made its long awaited return to the waterfront.

Capreol is able to host events such as Canada Day, Capreol Days, and the Christmas tree lighting thanks to the dedicated group of volunteers who continue to come out and give their time. With Canada's

150th anniversary set for 2017 and Capreol's Centennial a year later, there is the potential to really grow our community over the next few years.

The Northern Ontario Railway Museum and its community partners—Trinity United Church, Valley Community Theatre, Capreol Lion's Club, Capreol Legion, Capreol CAN, Sudbury Railway Modellers, and Capreol's Volunteer Firefighters—urge citizens to continue to support local events and happenings in the community by attending

or even getting involved directly with one of our many service clubs.

We look forward to seeing many of you out for Capreol Days July 29-July 31. Be sure to stop by the Capreol 100 table for a preview of what's to come!

We make your money
work harder for you
