

Congratulations to Chris Bottigoni, winner of the Father's Day draw at the recent Pasta Fest hosted by the Northern Ontario Railroad Museum and Heritage Centre. Bernice Walter was the winner of the door prize. Thanks to organizer Lina Mauro and her hard working team of volunteers, the event proved to be a great success. Tickets on a draw for a package of historical items are available at the museum, at Pro Hardware in Capreol and from Board members. Valued at \$500.00, the package includes a Bob Michelutti caboose print, a model 6060 HO train set as well as several heritage books. The draw will be made September 1, 2002.

Five gardens in Capreol and three in Valley East will be welcoming visitors for the **4th Annual NORMHC Garden Tour and Blueberry Tea** on Sunday, July 21, 2002. A bus run from Capreol to the Valley East gardens is being considered if there is sufficient interest. If you would be interested in using the bus (at an extra \$2.00 charge), please call Melissa at the museum (858-5050) before July 1, 2002.
