## NEWS FROM CAPREOL

Passports are now available for the **Northern Ontario Railroad Museum and Heritage Centre's 4th Annual Garden Tour and Blueberry Tea** to be held Sunday, July 21, 2002 from 11:00 a.m. to 3:00 p.m. The garden pass-

ports are \$10.00 and are available at the museum in Capreol, at local garden centres and at several Capreol merchants. Not only is the passport your ticket for entry to the eight gardens on the tour, but it also entitles you to enter your name in a draw for a beautiful metal rose created by Michelutti Designs and donated by Fran Michelutti. A bus run from Capreol to the Valley East gardens is being considered if there is sufficient interest. If you would be interested in using the bus (at an extra \$2.00 charge), please call Melissa at the museum at 858-5050 before July 1, 2002. The NORMHC is now offering annual memberships which entitle the valid cardholder to unlimited visits to the museum, a 10% discount at the Gift Shop plus a Spring and Fall newsletter. As a bonus, memberships received before July 1, 2002 will also receive Historical Profiles from past newsletters. Your support will help the museum expand its present collection and preserve its rich railway heritage.
