Dear Bob:

RE: Designation of the Former Superintendents' House as a Heritage Building

The Council of the Town of Capreol, at the meeting held on December 13, 1999, supported your organization's request to declare the former "Superintendents' House", which is now the site of the Northern Ontario Railway Museum and Heritage Centre, as a Heritage Building. The Structure, erected in 1911, and almost exclusively utilized for Railway purposes for the majority of its existence, should be preserved and perhaps renovated to its original exterior state.

In support of this course of action, Council passed the following resolution:

99-310 Mauro-Thomas: THAT the Council of the Town of Capreol does hereby support the request of the Northern Ontario Railway Museum and Heritage Centre that the current building occupied by the NORMHC, known locally as 26 Bloor Street, Capreol Con 6, Lot 10, Pcl 32447, RP SR1116, Part 2, be declared a *Heritage Building*. Further, that should the structure qualify, that the Municipality support application by the Capreol Development Committee for funding for building improvements. CARRIED.

Respectfully,

Richard V. Clouthier, A.M.C.T.
CAO/Clerk-Treasurer
