Attention: Jacqueline Mathias

Dear Ms. Mathias:

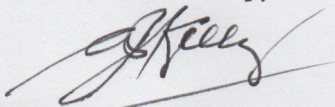

Enclosed is a drawing showing the location of License #59991, Locomotive Site - Town of Capreol.

On this drawing, we have coloured the area in yellow which the Northern Ontario Railroad Museum and Heritage Centre wishes to lease from C.N. Real Estate, to allow for expansion of the Railroad Museum.

This area would allow space to be available for the display of railway rolling stock, which the Museum is now in the process of negotiations, to acquire.

It would be appreciated if your office could give most serious consideration to this request, to enable our committee to proceed with our plans to bring a first class railway museum to the Town of Capreol.

Yours truly,

Allan J. Kelly,
Secretary Treasurer
Northern Ontario Railway Museum
& Heritage Centre
