

Valley Vision May 1/02

NEWS FROM CAPREOL

Become a member of the **Northern Ontario Railroad Museum and Heritage Centre (NORMHC)**. NORMHC is a non-profit volunteer run organization that is dedicated to the preservation of our rich railroad heritage. **Volunteer now!** Come out, have some fun and share in the excitement! Volunteers can choose from a variety of tasks according to interest and expertise. Any necessary training will be provided. The Museum is interested in any donations of heritage, railroad, lumbering and mining items. If you'd like to make a donation, we have a donor wall that acknowledges those who have become "Friends of the Museum". Annual Membership entitles the valid cardholder to unlimited visits to the museum, a 10% discount at the Gift Shop plus a Spring and Fall News-

letter. As a bonus, memberships received before July 1, 2002 will also receive Historical Profiles from previous newsletters. Help us collect, display and relate a part of history that excites both young and old. We need our collection to continue to grow and with the hope of an expanded facility and funds raised to support our vision, we can keep attracting visitors from around the world.
