Dear Mr. Drew:

Please find enclosed copies of correspondence between your office and me in June and July of 1994.

Since that time the Museum has received title to Prescott Railway Park from Town Council and just a few weeks ago we received a telephone call from C.N. Real Estate advising that we contact a local official with respect to our request for further land adjacent to Prescott Railway Park. This was done and we have been assured that there is no local opposition to our request and this information would be immediately communicated to C.N. Real Estate in Toronto.

In light of these developments, it would be appreciated if you could make arrangements to obtain some of the used railway stock included in our Exhibit "A" attached and have it stored until we can take possession.

In anticipation of an early and satisfactory reply, I remain,

Yours very truly,

Allan J. Kelly
Secretary-Treasurer
