Mr. E. Berube,
Clerk-Treasurer,
The Corporation of the
Town of Capreol,
9 Morin Street,
P.O. Box 700,
Capreol, Ont.,
P0M 1H0

Dear Sir:

After the Council meeting on December 8th you approached me with respect to the property that the Town leases from us for Locomotive No. 6077 and other equipment. You gave me a file including your letter of August 18th asking CN to donate this property. Mr. Cornelius in his letter of August 29th declined this request and you asked me to review this decision.

Mr. Cornelius has explained that this lease forms part of our major land holdings in the area and that we do not wish to part with it. I agree with this. Frankly, I do not understand why the Town needs to own the property, as the rent is purely nominal.

Yours truly,
