NEWS FROM CAPREOL

The Capreol Lions, in partnership with the senior classes from C.R. Judd Public School and St. Mary School will be doing a cleanup (litter lift) in the Town of Capreol and along the highway from Linden Drive to the north end of Suez Siding on Friday, May 13, 2005 commencing at 1:00 p.m. Any problem areas in Capreol may be reported to Charlie at 858-3085 for attention.

A final reminder that the Capreol Community Action Network's Spring Highway Cleanup takes place Saturday, May 14, 2005. You may be aware that previous spring and fall cleanups have taken place on the highway and have no doubt noticed what a difference this has made. Why not be a part of a great community effort. It only takes a few hours of your time. Anyone wanting to participate in this cleanup is asked to meet at 9:30 a.m. beside Capreol Bowl. Rain date will be Sunday, May 15, 2005. Gloves, vests and garbage bags will be supplied. Capreol CAN hopes to see you there.

The stately Northern Ontario Railroad Museum house located at 29 Bloor Street in Capreol was built in 1916. This house was the residence for the CN superintendents and in it's day was the premier house in Capreol. Time does take it's toll however and continual maintenance is required to maintain this beautiful old heritage home in the splendour of it's time. Recently, a new furnace and hot water tank were required along with the replacement of a picture window in the lobby area. When the museum Board approached City Councillors Ted Callaghan and Russ Thompson for help, they immediately came to the museum's assistance. On behalf of the Museum Board, thank you to the City of Greater Sudbury for the generous contribution in replacing the above items. The following individuals with the City were instrumental in making this happen: Councillor Ted Callaghan, Councillor Russ Thompson, Ron Henderson, Rick Clouthier, Lori Henri, Ed Vildis, Luc Poulin and Wally Lefave. It is very encouraging for the volunteers at the museum to know that the City stands behind them and appreciates the hard work being done to develop a tourist attraction that we can all be proud of.
