

Town Banner to Be Raised Labor Day

One of the main events of the 50th anniversary celebrations of Capreol this weekend will be the raising of the town flag. The flag was the subject of much discussion before the design was selected. It has a blue background with a brown beaver on a gold maple leaf in the centre. Cap-

reol is spelled down the flag staff end of the flag. This will be the first time the flag has been raised outside. The flag raising is scheduled for 2 p.m. Monday. Other events Monday will be a Legion Memorial service at 10.30 a.m. in the Legion Hall, a baseball game at 1.30 p.m. at the

Centennial Athletic Field, a soccer game at 3 p.m. and an egg-throwing contest at 4 p.m. A banquet and dance will finish off the day's events. Displaying the flag are Mayor Harold Prescott, left, and town foreman Jack Clark. His worship has been an advocate of a town flag for some time.
